

Environmental Policy

Chuanglee Limited is committed to operating responsibly and reducing our impact on the environment. This policy applies to all employees, contractors, and activities under our control.

Our Commitments

Compliance

- Meet all relevant environmental laws, regulations, and standards.

Resource Efficiency

- Reduce energy and water use wherever possible.
- Use materials efficiently and avoid unnecessary waste.

Waste Management

- Reduce, reuse, and recycle materials across our operations.
- Dispose of waste safely and responsibly.

Emissions & Pollution Prevention

- Minimize greenhouse gas emissions from our activities.
- Prevent pollution through good maintenance and safe handling of materials.

Sustainable Purchasing

- Wherever possible choose suppliers and products that demonstrate environmental responsibility.

Continuous Improvement

- Set environmental targets and review progress regularly.
- Incorporate environmental considerations into daily decision-making.
