Introduction

At Chuanglee Group, we are dedicated to conducting our business in a socially responsible, sustainable, and ethical manner. As a leader in the Asian food import, foodservice, and supermarket sector, we recognize the impact of our operations on the environment, local communities, and the wider society.

Our CSR policy reflects our commitment to sustainability, fair trade, waste reduction, and community engagement, while ensuring the highest standards of quality, safety, and customer satisfaction.

CSR Commitments

A. Sustainable Sourcing & Fair Trade Practices

We are committed to supporting local farmers in Thailand and promoting fair trade throughout our supply chain.

- Direct Partnerships with Local Farmers:
 - We collaborate directly with Thai farmers and cooperatives, ensuring they receive fair prices for their produce.
 - We prioritize small-scale farmers who use sustainable farming practices.
- Direct Partnerships with Local Factories & Suppliers:
 - We collaborate directly with Thai manufacturers and brands
- Fair Pricing & Contracts:
 - We pay fair rates, providing stability and improving the livelihoods of local farming communities.
- Traceability & Transparency:
 - We ensure full traceability of all imported vegetables.

B. Waste Reduction & Technology Integration

We actively work to reduce food waste in our supermarket outlets and foodservice operations by leveraging technology and sustainable practices:

- Technology-Driven Solutions:
 - We utilize "Too Good To Go" at selected outlets (Mini C Asian Pantry in Greenwich) to sell surplus food at discounted rates, preventing waste while offering affordable meal options.
 - We plan to expand the use of similar food waste reduction platforms across more locations.
- Surplus Food Donations:
 - We donate unsold but safe-to-eat food to local charities, food banks, and community organizations.
- Inventory Management & Discounts:
 - We implement real-time inventory tracking to reduce over-ordering and prevent spoilage.
 - We offer discounts on near-expiry items to promote affordability and reduce waste.
- Eco-Friendly Packaging:
 - We prioritize using recyclable, compostable, or biodegradable packaging for our products.

C. Fair Labor Practices & Employee Welfare

At Chuanglee Group, we value our employees and are committed to providing fair wages, safe working conditions, and growth opportunities:

- Fair Wages & Benefits:
 - We pay fair and competitive wages in accordance with local labour laws.
 - Employees receive benefits such as paid leave and performance-based incentives.
- Safe Working Conditions:
 - We ensure a safe, clean, and compliant work environment across all operations, including food handling and storage facilities.
 - We provide regular training on food safety, hygiene, and workplace safety.
- Diversity & Inclusion:
 - We promote an inclusive workplace, celebrating diversity across all departments.

- We actively hire and support employees from diverse backgrounds, including immigrants and minority groups.

D. Food Safety, Quality & Customer Welfare

We prioritize the safety and satisfaction of our customers by adhering to the highest standards of food safety, quality, and transparency:

- Compliance with Food Safety Standards:
 - We adhere to all relevant food safety regulations, including HACCP and local health standards.
 - We conduct regular quality audits of our imported products and in-house operations.
- Product Authenticity & Labelling:
 - We guarantee the authenticity of our imported Asian food products, clearly labelling origin, allergens, and nutritional information.
 - We ensure full traceability of all products, providing transparency to customers.
- Customer Feedback & Improvement:
 - We actively seek customer feedback to continuously improve our food quality and service standards.

E. Community Engagement & Cultural Promotion

We believe in giving back to the community and promoting Asian culinary heritage:

- Local Community Support:
 - We participate in and sponsor local food festivals and cultural events to promote Asian cuisine.
 - We donate food and contribute to local charitable causes.

Conclusion

At Chuanglee Group, our CSR policy reflects our dedication to sustainable sourcing, waste reduction, fair labour practices, and community engagement. By prioritizing ethical business operations and environmental responsibility, we aim to make a positive impact on society and the planet, while delivering the highest quality products and services to our customers.
